

The Armenian Apostolic Church of Riverside is proud of our UCR Armenian Students Association as they commemorate the 96th Anniversary of the 1915 Genocide of the Armenians. A special note of appreciation to their President, Nellie Plouzian.

UCR ASA members and Riverside community members extended prayers in memory of the 1915 Genocide martyrs and sang songs honoring their courage and determination.

“When we demand ‘justice,’ first and foremost we demand that the truth be told about the 1915 Genocide of the Armenians!” *Rev. Dr. Fr. Stépanos Dingilian, Pastor*
